The Water Company shall have the right to establish its rates; to meter each Lot; and to charge a reasonable fee for water used in excess of 3,000 gallons, per Lot, per month.

If two or more Lots are owned by the same person or legal entity, whether or not said Lots adjoin, separate hook on fees shall be paid for each Lot. Single connections shall be required for each Lot and each Lot in the subdivision (except those owned by the Developer upon which no improvements have been erected) shall be subject to the monthly minimum usage fee.

The hook on fee shall be due and payable upon request for service. No service will be provided until the fee is paid in full.

ARTICLE IX
STREETS WITHIN THE SUBDIVISION

Section 1. Construction.

The Developer has constructed or will construct all streets in the subdivision.

THE STREET CONSTRUCTION DOES NOT AND WILL NOT CONFORM TO THE SPECIFICATIONS OF THE HIGHWAY DEPARTMENT OF THE COMMONWEALTH OF VIRGINIA OR THE STATE OF NORTH CAROLINA. THE STREETS ARE NOT AND SHALL NOT BE DEDICATED TO, NOR SHALL THEY BE MAINTAINED BY THE COMMONWEALTH OF VIRGINIA NOR THE STATE OF NORTH CAROLINA. THEY WILL NOT BE INCORPORATED INTO THE PUBLIC HIGHWAY SYSTEM OF EITHER STATE.

The streets will have a minimum dedicated right of way of 50 feet in width. They will be constructed and maintained to afford legal and physical all-weather access by conventional vehicular and pedestrian traffic to each of the Lots.

The streets will have a graded graveled wearing surface of a minimum depth of 4 inches and a minimum width of 20 feet.

Section 2. Ownership and Maintenance.

The streets will be owned and maintained by the Developer until April 15, 1997, or until such earlier date when, in the opinion of the Developer, the Association is sufficiently established and is capable of assuming maintenance responsibility for the streets. On that date, or April 15, 1997, whichever first occurs, the streets shall be conveyed to the Association which will then assume all future maintenance responsibility.

The annual assessments or such portion thereof as the Developer deems necessary and proper, shall be paid to it by the Association to defray the maintenance cost of the streets until the sole maintenance responsibility is transferred to the Association.

ARTICLE X
COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien.

Subject to the later provisions of this Article, an annual assessment (the "Assessment") is hereby established and levied on each residential lot. The Assessment is hereby made, and shall remain a continuing lien on the Residential Lots.

In addition, the Assessment shall remain the personal obligation, joint and several, of the Lot Owners, their successors and assigns.

To the extent not prohibited by applicable law, the lien of and the personal obligation to pay the Assessment shall include:

- a. The principal amount thereof; and
- b. Interest at 10% per annum from and after the due date (hereinafter defined) thereof; and
- c. A late payment charge of 50% of the principal amount of the Assessment if it is not paid within thirty (30) days after its due date; and
- d. All Court costs incurred by the Association in the collection of any unpaid Assessment (principal, interest, and penalty); and
- e. Attorney's fees in an amount equal to the total amount of the Assessment including principal, interest, and penalty, when the account is placed into the hands of an attorney for collection by the Association.

Section 2. Purpose of the Assessment.

The assessment shall be used by the Association:

- a. To maintain, renovate, improve, operate, and administer the Common Property including, by way of amplification and not limitation, the streets, roads, and easements within or those leading to the subdivision; and
- b. To construct, maintain, renovate, operate, and administer such additional Common Property in the subdivision as the Association may deem necessary and proper;

for the benefit and enjoyment of the Owners to the end that the value of the Property shall be protected, promoted and enhanced. In the interest of clarity, the streets and roads within the subdivision shall be of graded, gravel construction, the wearing surface shall be at least twenty feet wide and three inches deep. The covenant of maintenance herein contained shall be deemed to mean that the streets and roadways within the subdivision shall be maintained to reasonably and seasonably afford all-weather access to each Lot in the subdivision by conventional motor vehicles.

The Common Property shall be maintained in a reasonable and prudent manner and shall be kept reasonably free of trash, debris, and refuge, the area of which shall periodically be bush-hogged or mowed.

Additionally, the Assessment shall be used for the payment of taxes and insurance upon or with reference to the Common Property.

Section 3. Amount of Annual Assessment - Due Date.

The Assessment shall be \$100.00 per Lot.

The Assessment shall be due and payable, in advance, on February 1, 1988; and, thereafter, on February 1 of each succeeding year (the "Due Date"). The Assessment shall not be prorated for any portion of any year.

Section 4. Annual Assessment - Increase.

The Board of Directors of the Association (which shall be controlled by the Developer until a majority of the Lots are conveyed to third party purchasers), may increase the Assessment upon thirty (30) days prior written notice to the Owners, but the amount of any increase shall not exceed 25% of the then current assessment in any annual assessment period.

The increase shall be for such duration as the Board of Directors shall determine and shall be adopted by a two-thirds majority vote of said Directors.

Section 5. Special Assessment - Establishment - Levy.

The Board of Directors of the Association may, by resolution adopted at any regular or special meeting, propose a special assessment which shall then be submitted to the membership for approval at any regular or special meeting of the Members. The notice of any meeting of the Members at which a proposed special assessment will be considered, shall be given, in writing, to each member at least 15 days, but not more than 30 days, prior to the meeting and shall state the time, place, and purpose of the meeting. The Resolution shall state the purpose of the special assessment, the amount, duration, and due date thereof.

Section 7. Duties of the Board of Directors.

The Board of Directors of the Association shall prepare a roster of properties and assessments applicable thereto at least 15 days in advance of the due date of the Assessment. It shall be kept at the office of the Developer or the Association and shall be open to inspection by any Member during business hours.

The Developer or Association shall send an annual notice of the Assessment to each owner of record on or before January 15 of each year commencing January 15, 1988. The Board of Directors of the Association shall send a notice of any special assessment to each member within 15 days next after the enactment of any such assessment. Failure of the Board of Directors to send the notice of assessment (annual or special) shall in no way abrogate the lien of the Assessment nor the personal obligation of the owner for the payment of same.

Section 8. Nonpayment of Assessment, Regular or Special - Enforcement.

If any assessment, regular or special, remains unpaid more than 30 days beyond its due date, as herein provided, the Association shall forthwith prepare and file, in the Clerk's/Register's Office a NOTICE OF DECLARATION OF LIEN, stating:

- a. The name and address of the property owner - debtor;

Subsequent assessments shall not be adversely affected by any such sale or transfer and such sale or transfer shall not relieve the property from liability therefor. The personal obligation of the Owner for payment of the Assessment shall not in any instance be terminated or otherwise affected by such sale or foreclosure proceeding, whether or not the Assessment became due prior or subsequent to the foreclosure proceeding or sale.

Section 10. Exempt Property.
